Remarks:

Chief Deputy Jason Joling has officially resigned from the Wood County Coroners Department. To say he will be missed is truly an understatement! His years of experience, knowledge and availability are a tough loss, but we will get through it. All his supplies and any Wood County property are in my possession. He informed me that he is still and will always be available for a quick phone consult if needed. His official last date is effective 06/03/2025.

With Jason's resignation, I will be sending out a formal request to all existing deputy coroners to fulfill the position of Chief Deputy Coroner, as required by state statutes. While I value seniority, I believe there is more required for this position than simple tenure. I plan to look at availability, work ethic and overall ability to perform the job but assist others when needed.

Finally, we have located an individual that is interested in working as a deputy coroner on the south end. She is currently a hospice RN and only works weekends. Thus, her availability during the week should be great. This will take a load off the north end to keep traveling south when calls come in. I will be meeting with her next week.

Respectfully Submitted,

David A. Patton
Wood County Coroner

Security Services May 2025 Report

For the month of May, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	64
O.C. -	14
Misc. Items -	8

The miscellaneous items that were located were four (4) pairs of scissors, two (2) screwdrivers, a self-defense tool and brass knuckles.

Security Services screened 7,720 people entering the courthouse in May. Security Services had 42 security requests from different departments within the Courthouse for the month. We also served 6 civil process papers, fulfilled 2 warrants and had 2 Jury Trials.

Also, for the month of May, Security assisted with returning a found cell phone and testifying on a Preliminary Hearing for an Investigator that was involved in a search warrant so he could not make his court hearing.

We also handled four (4) complaints in the jail as well. The complaints were for a PREA investigation, a bail jumping complaint and two (2) no contact violations.

I want to encourage everyone that if they see a problem to please let Security know about it as soon as possible.

During the Month of May, I utilize part-time employees for 40 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
